# EDUCATION

*Find the solution that fits your needs.*

## **MASS COMMUNICATION**

### **THE PROBLEM:**

*Teachers, staff and students need to get the message, no matter where they are*

### **OUR SOLUTION:**

- PC Alert
- Audio PA/Intercom Integration
- LED Signage & Visual PA
- LCD Panels, Digital Signage & Video PA
- Phone Integration
- Two-way Radio Integration
- Email, SMS, Pager & Social Support

### **WHAT YOU GET:**

- Multimedia alerts & instructions reach everyone, everywhere

## **PUBLIC ADDRESS**

### **THE PROBLEM:**

*You have an old PA system and need a district-wide solution that allows you to make an announcement from anywhere.*

### **OUR SOLUTION:**

- Mobile App
- Audio PA/Intercom Integration

### **WHAT YOU GET:**

- District-wide PA capabilities
- Speak live or text from cell phone

## **STAFF & STUDENT READINESS**

### **THE PROBLEM:**

*Your emergency preparedness or crisis management plan is in a binder and it's unclear if staff, substitutes and students know what to do.*

### **OUR SOLUTION:**

- LCD Panels, Digital Signage & Video PA
- Audio PA/Intercom Integration
- Mobile App
- PC Alert

### **WHAT YOU GET:**

- An automated plan
- Multimedia alerts & instructions reach everyone
- Faster response times

## **EQUIPMENT EXPENSE**

### **THE PROBLEM:**

*Justify the expense of equipment as emergency notification devices*

### **OUR SOLUTION:**

- PC Alert
- LED Signage & Visual PA
- LCD Panels, Digital Signage & Video PA

### **WHAT YOU GET:**

- Useful daily communication tools double as synchronized emergency notification devices
- Justification for a new system or emergency interruption of existing system

## **DATED EQUIPMENT**

### **THE PROBLEM:**

*You have some mass notification and emergency response equipment, but it's unclear if it integrates with old and new equipment*

### **OUR SOLUTION:**

- Server Options

### **WHAT YOU GET:**

- A robust & integrated notification system
- Use what you have & integrate new functionality
